Mitzvah Project Ideas
to benefit the JCS Kosher Food Bank

How to Earn Community Service Hours and do a Mitzvah!

1. Plan a mitzvah drive to benefit the Kosher Food Bank! They accept the following items:
   a. Food! - cereal (hot or cold), tuna, peanut butter, jelly, canned vegetables, pasta, oil/mayo, soup mix, juice.
      *please ensure that all food is listed with a kosher symbol:
   b. Baby formula, baby food, diapers and wipes
   c. Cleaning products (dish soap, laundry detergent, paper towels, sponges etc…)
   d. Toiletry baskets with toothpaste, toothbrushes, toilet paper, deodorant, soap, shampoo etc….

2. Deliver the collected items to the JCS Kosher Food Bank and help stock the shelves.

3. Instead of another boring birthday party- Invite friends for a scavenger hunt at Publix or Winn Dixie!
   • Create a list of clues and ask each friend to bring $5.00
   • you and your friends will race around the store finding items on the list
   • purchase the items to bring to the JCS Kosher Food Bank & stock the shelves

4. No lines, no heavy lifting, no hassle! Create a personalized fundraising page for your Bar/Bat Mitzvah/Birthday. Guests can contribute to the Kosher Food Bank from the comfort of their own home. You can provide your guests with a personalized link in your invitation.

5. Log the hours spent on your mitzvah project and let us know! Include the hours it spent to plan, shop, deliver & stock shelves. We will give you chesed/community service hours for your time!

Please let us know what we can do to help!
